# ADVANCE DIRECTIVE

TO MY FAMILY AND MY PHYSICIAN

THIS LIVING WILL is made by me IAIN WESTON SEWELL of 41 New Road Llanelli SA15 3DP born on 16th February, 1954 at a time when I am of sound mind and after careful consideration.

1. The contents of this Living Will supersede any oral or written directions which I may have previously given in this regard.
2. If in the opinion of a registered medical practitioner I can no longer take part in decisions for my own future, and I am suffering from a condition which has rendered me incapable of rational existence (an intolerable condition), then I wish the following instructions to take effect.
3. I do not wish to receive any medical treatment which is designed just to keep me alive.
4. I consent to being fed orally, and to any treatment that may relieve my pain and suffering, even if the moment of death is thereby hastened.
5. An intolerable condition, as referred to above, is a condition:
  - a) In which I will in all probability spend the rest of my life:
    - i) mentally incapable, so as to be unable to take part in decisions for my own future or
    - ii) in continuous pain and suffering, or in a coma or
    - iii) with my face or head severely disfigured or
    - iv) permanently confined to bed.
  - and
  - b) whereby I will suffer from any two or more of the following disabilities for the rest of my life:
    - i) unable to communicate sensibly
    - ii) unable to recognise my family and friends
    - iii) unable to feed, dress and wash myself
    - iv) unable to control my bladder and bowel

We testify that IAIN WESTON SEWELL signed this Directive in our presence and made it clear to us that he understood what it meant. We are not aware that any pressure was brought on him to make this directive and we believe that it was made at his own wish. So far as we are aware we do not stand to benefit from his death.
